

October 4th, 2020

Friend,

Welcome to Hope Wins – a night that celebrates bringing wholeness to child survivors of war in DR Congo and Uganda! We are so glad that you're joining us.

Exile International's mission is to **restore rescued child soldiers and children orphaned by war** to become leaders for peace through art-focused trauma care and holistic rehabilitation – healing spirits, healing minds, and healing bodies.

Over the last 12 years, we've seen God move in miraculous ways, and with your help, **we've had the opportunity to provide life-changing, Christ-centered care to 6,000 children!**

Last year, we invited you to be a part of a God-sized, 20-year vision: to serve 100,000 child survivors of war by 2040. During Hope Wins, we will share with you how that God-sized vision is coming to fruition!

2020 has been a hard year thus far. COVID-19 infections and deaths are on the rise in Congo and Uganda, but even in the midst of hardship, 700 more war-affected youth are receiving hope in Jesus!

Because of your partnership – hope is still winning!

And we have some **exciting news!** Because of some generous donors, gifts during Hope Wins will be **matched! Doubling the healing provided to children in war.**

So, buckle up! We have a beautiful virtual event planned for you. Grab your chapati, settle in on the couch, and get ready for a wonderful evening of redemption!

Grace and Peace,
