Dear Friend,

Welcome to Hope Wins – a night of celebration and generosity where you can provide healing and hope to 100,000 child survivors of war and transform communities for peace. We are so thankful to have you join us.

Exile International's mission is to **empower rescued child soldiers and children orphaned by war** to become leaders for peace through art-focused trauma care and holistic rehabilitation – healing spirits, healing minds, and healing bodies.

Over the last 13 years, we've seen God move in miraculous ways, and with your help, **we've had the opportunity to provide life-changing, Christ-centered care to more than 6,200 children!**

Tonight, we invite you to *Step into the Story*. With Christ, your partnership, and outstanding teams on the ground — **rescued child soldiers and children orphaned by war are coming full circle**. Exile's graduates are becoming leaders for peace, ending cycles of violence, and bringing healing to war-affected youth in their communities!

Our team has put together this **beautiful Experience Kit full of goodies!** Inside, you'll find Congolese recipes to make with your family, an opportunity to get your kids involved with an interactive children's activity, Exile's most recent prayer requests (along with an opportunity to share your prayer requests with us!), a journal with writing prompts to identify how you can *Step Into The Story*, and much more!

Your partnership is critical in making this life-changing care possible!

And we have some **exciting news!** Because of a few generous donors, gifts during Hope Wins will be **matched – meaning double the impact, double the lives forever changed!**

So, buckle up! Whether you plan to join in person or virtually, we have a beautiful event planned just for you. Grab your *chapati*, settle in on the couch, and get ready for a wonderful evening of redemption!

Grace and Peace,
