

PARTNER FOR HOPE

Sponsor Hope Wins - Exile's Annual Fundraiser
September 15, 2024 | The Franklin Theatre

Show the Nashville community that you support global efforts for peace by supporting Exile International.

Team up with child survivors of war to guarantee they get the most out of this event. By helping cover overhead costs, you ensure that the most dollars given by donors can help children in Congo and Uganda heal from the wounds of war. They will flourish because of your contribution, and so will your business!
